

Quick Speech Screener

Show the child the pictures and write underneath how the child said the word, or use our recording sheet to check the child's answers.

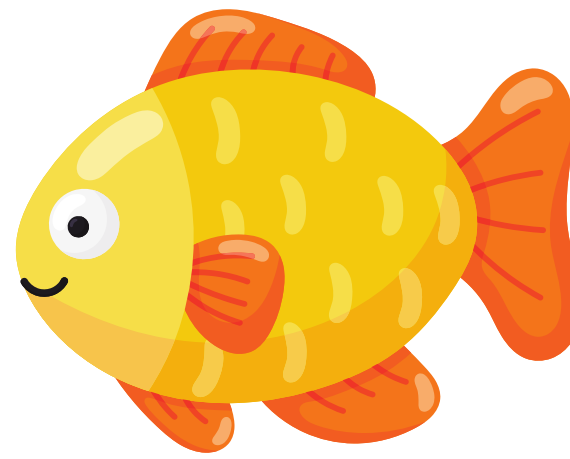

Please note this is a quick screener to give an idea of speech errors, it does not replace a full assessment !

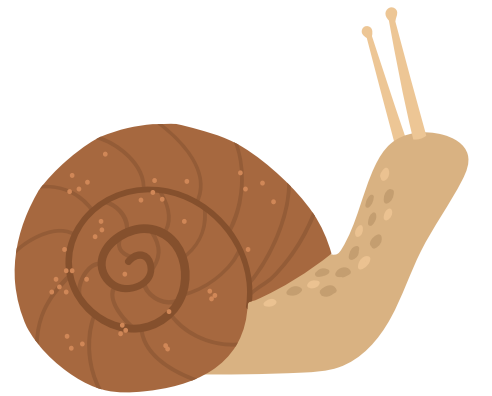

Pictures: car, girl, fish, snail, tiger, dinosaur, spider, elephant, pig, chips

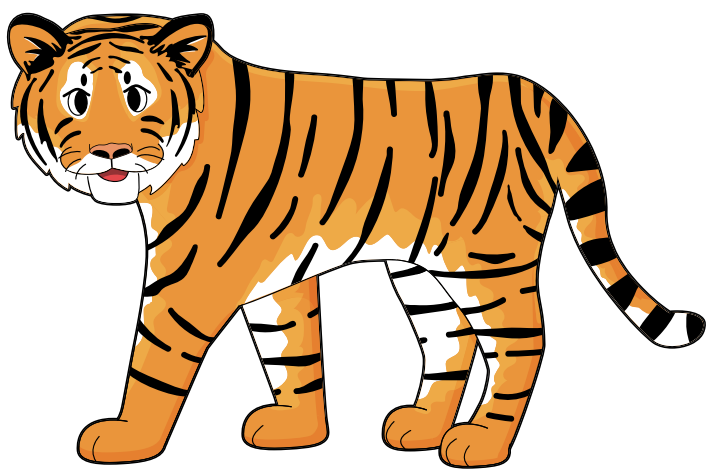

Let's look at some pictures together, can you tell me what they are?
